

1

This is what you will need to properly return the packaging foam to Q-Tran.

Shipping Box

Packaging Foam

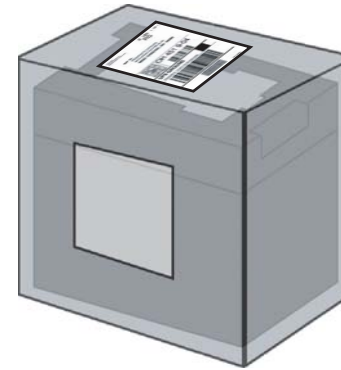

UPS
Return Label

3

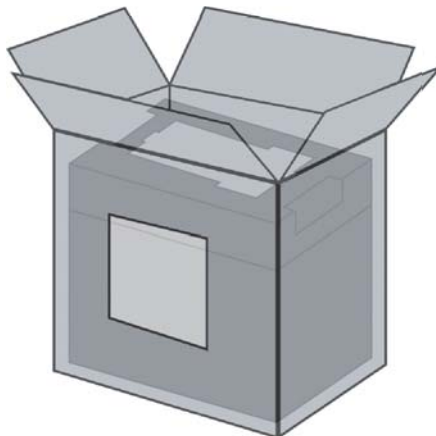

Close up the shipping box and place the provided UPS return label on the box.

(Remember to remove or cover the existing UPS label before placing the return label.)

2

Place the foam in the shipping box

4

Take packages to your local UPS drop off location or give to your UPS driver.

(Do not call for a pick up. UPS will charge you.)
